Professional Services

It's a pleasure to reach out and offer my services as an independent web developer. I'm dedicated to transforming your ideas into an interactive and visually appealing website. As the sole responsible party for your project, I can assure you of personalized attention and a focus on your specific needs.

My goal is to provide you with a high-quality website that not only looks great but is also functional and user-friendly. By leveraging the latest web development technologies and practices, I'm prepared to

Sebastián Saprissa Aragón

create a digital experience that truly stands out online and resonates with your audience effectively.

Handling the updates and online presence (www) is completely within our realm to ensure proper web management.

Feel free to check out some of the projects I've worked on in my portfolio at www.ssap.com.

If you have any questions, don't hesitate to reach out.

IMPORTANT NOTES

1. The domain is paid once per year. If the proposal is accepted, the first year's domain registration is provided free of charge.
2. To initiate the development of the website, a 50% deposit is required, payable to a specified bank account. The remaining 50% is due upon delivery of the completed website.
3. The website includes basic web accessibility features.
4. Future updates to the website will be charged separately.

To fully agree with the web quotation, please provide your full name, ID number, and digitally sign or scan your signature.
